

TRIM / BLEED AREA

SAFETY MARGIN

This House and Garden Magazine, *Simple to Spectacular*, is all about taking imaginative, fictional homes and bringing them to life. Each issue showcases a different theme, with the houses centered around a single object that serves as the centerpiece of each design. The idea is to inspire and provide readers with innovative, unconventional house design ideas that are not only aesthetically pleasing but realistically portrayed. From the use of creative objects as the focal point, to the intricate details in each depiction, this House and Garden magazine pushes the boundaries of conventional house design.

# Vitamin C House

Welcome to the Vitamin C House, a vibrant and sunny oasis in the heart of the city. This charming abode is an embodiment of health and wellness, with its use of natural materials, greenery, and, of course, its abundance of Vitamin C.

As you move through the house, you'll find a **bedroom** with its own unique style and character. The bedroom is designed with comfort and relaxation in mind, with soft, cozy bedding, and plenty of natural light.

The **bathroom** is an invigorating space that is sure to awaken the senses. It features a large vanity with ample storage, perfect for keeping all of your grooming essentials organized.

The **dining table** in the Vitamin C House is a true celebration of color and life. This sturdy and stylish design creates a lively and cheerful atmosphere, which is perfect for dining with loved ones.

# Avocado House

Nestled amidst lush greenery, the Avocado House is a unique and striking architectural marvel. With a round bottom and a pointy top, the house mimicks the iconic avocado's shape. The "pit" of the avocado serves as both an entrance and a large window, offering a glimpse into the interior spaces.

Step inside the Avocado House and you'll find yourself in a warm and inviting living space. The walls are adorned with avocado-themed stickers, creating a playful and cozy atmosphere. The avocado-shaped chair invites you to sit back and relax in style. The overall effect is a charming and harmonious space that complements the unique exterior of the house.

The *bathroom* is a true oasis of tranquility. The walls are decorated with cute vegetable motifs, creating a fresh and nature-inspired vibe. An avocado-shaped mirror serves as the centerpiece of the room, adding to the soothing atmosphere. On the shelves, you'll find avocado perfumes, providing a touch of luxury and indulgence.

# Cloud House

Escape to the clouds with this awe-inspiring architectural masterpiece! This one-of-a-kind cloud house is situated in a secluded location high up in the sky. The surreal design features large clouds that wrap around the entire structure, creating an ethereal atmosphere. The cloud house is a stunning blend of nature and architecture that will inspire.

The *bedroom* is truly a peaceful retreat from the hustle and bustle of everyday life. The open ceiling allows you to connect with the clouds as you drift off to sleep, creating a dream-like atmosphere. The round and cloud-like carpet adds to the ethereal ambiance.

The *kitchen* is a splendid showcase of blue aesthetics. With its futuristic design, it is sure to make you feel as though you've stepped into a different dimension, one where the boundaries of technology and design are blurred.

As you shower, the clouds slowly fill up the space, making you feel as though you're floating in a dreamy atmosphere. The clouds surround the *bathroom* in every direction and serve as the most essential design element of the house. This breathtaking room will truly offer an immersive experience.

# Pizza House

The pizza-shaped house is an exceptional architectural delight, bound to amaze and intrigue visitors. A large, life-sized pizza covers one side of the triangular structure, creating a whimsical and playful exterior. Another pizza nearly cascades down to the entrance, adding to the quirky design. The distinct shape of this house is sure to turn heads and inspire conversation.

Get ready to sink your teeth into a slice of home decor with this pizza inspired *living room*. The centerpiece of the room is a giant pizza, perfectly placed on a plate in the center. The toppings and melted cheese on the pizza will make your mouth water just by looking at it. This room truly captures the essence of pizza and provides an inviting space for any pizza lover.

Take a break from the world and relax in a pizza *playground* that is like no other. The coza pizza cave provides the perfect place to unwind and recharge. There is also a table complete with a delicious pizza that serves as a gathering place for friends. Whether you're looking for a place to chill or just want to bask in the beauty of pizza, this playful playground will not disappoint.

# Rocket House

Elevate Your Living Experience:  
The Sky-High Rocket House  
Perched high above the earth, the rocket house stands tall and proud, surrounded by breathtaking natural beauty. You can set your course and soar to new destinations at a moment's notice. Get ready to take off and experience life to the fullest.

The *playroom* is designed for kids with the goal of igniting their imagination. Inside the rocket, kids will find a world of possibilities waiting for them. They can play with dolls and act out their wildest dreams. The rocket points towards the light that resembles a moon, casting a soft and calming glow that will make them feel safe as they explore new worlds.

The blue and red color scheme of the *kitchen* creates a clean and frisky atmosphere. The refrigerator is a standout feature, with a rocket and stars design that adds a playful touch to the space. Whether you're whipping up a quick snack or preparing a feast, this kitchen will bring your culinary creations to life, with the beauty of space to cook among the stars!

This *bathroom* strikes a balance between functionality and fun. The highlight of the bathroom is the unusual toilet shaped like a rocket, that's sure to be a conversation piece. Sitting on this unique toilet is like being on a mini space adventure. The cheerful orange tones and distinctive toilet design make it a space that can let your mind wander.

## Soccer House

Shaped like a soccer ball, the house includes a black pentagon serving as a curtain that can be lifted up via a staircase leading to it. The round designs serve as cameras that provide views of the surrounding area. This contemporary design is sure to turn heads and impress guests, making it a must-see for soccer fans!

The *bedroom* resembles a lush soccer field in a warm green hue. The carpet is a lifelike representation of a soccer field, including the white lines and a ball placed as if a match is in progress. This bedroom is perfect for a soccer enthusiast who wants to infuse their love of the game into their private space.

The *living room* shows the interior perspective of the attractive black monocular-inspired design with a magnificent view of the outside world. The view presents a massive, real-life soccer field that draws in visitors to rest and observe the game or simply appreciate the soccer field's beauty.

Like the other rooms, the bathroom floor is also designed like a soccer field, adding to the overall theme and creating an entertaining atmosphere. This distinctive touch transforms the bathroom into a mini soccer arena, making even the most mundane tasks feel like a playful experience.

# Teddy Bear House

The Teddy Bear House is not just a home, it's a work of art that has been designed to bring joy and delight to all who see it. The exterior alone is enough to capture the hearts of even the most discerning homebuyers and make this house a must-see for anyone looking for an unforgettable property. The large teddy bear complements the house painted in a soft, brown color, inviting you in to explore its charm.

Step into the world of childhood memories with the **Teddy Bear Bathroom**. The huge teddy bear sits nicely next to the sink, providing a sense of comfort. The deep blue shade of the carpet provides a beautiful contrast to the warm brown tones of the room, giving the space a pop of color and a fresh, modern feel.

Experience hospitality in the **Teddy Bear Living Room**, where a giant teddy bear sits on the sofa, waiting to be hugged. His soft, plush fur and friendly expression make him an irresistible companion, inviting you to cuddle.

# Whale House

Discover the stunning underwater abode, held aloft by a magnificent whale and located in the heart of the open ocean! This residence boasts a roof that floats atop the water, while the bottom part of the house lays nestled amongst the underwater world. Immerse yourself in the beauty of marine life, with cute dolphins and curious sea turtles just a glimpse away through the glass walls.

Wake up to the mesmerizing sight of sea animals floating freely past and through your window. This **bedroom** allows you to truly immerse yourself with schools of colorful fish, as well as curious sea creatures that peek in to say hello. Boom, you have a front-row seat to the magic of the sea.

The **kitchen** is fully equipped with state-of-the-art appliances, making meal times a breeze. The kitchen sink doubles as an aesthetic fish tank that provides a home to even the largest of sea creatures. The ceiling is also filled with unknown sea creatures that come down to float around the room.

This underwater **bathroom** is decorated with furniture inspired by the ocean's natural beauty, such as algae-covered countertops and shell-like accents. As soon as you walk in, you'll be enthralled by the beautiful movements of sea creatures through the clear window. It's like having your very own free aquarium right in the comfort of your home.
